To The Honorable Mayor and City Council

DATE: September 30, 1996

REPORT NO.: 96-04

SUBJECT: BIENNIAL REPORT ON UPDATES OF CONFLICT OF INTEREST CODES

**THIS IS AN INFORMATION REPORT ONLY. NO ACTION IS REQUIRED.**

Government Code section 87306.5 states that, no later than July 1 of each even-numbered year, "code reviewing bodies" are required to direct each local agency under their jurisdiction that has a previously adopted conflict of interest code ("Code") to review that agency's Code. Under this law, the term "code reviewing body" includes the San Diego City Council and the term "local agencies" includes not only City departments, but also City-owned corporations, certain City boards and commissions, and certain other local agencies (for example, the Housing Commission), for whom the City Council serves as code reviewing body.

Government Code section 87306.5 also requires local agencies to submit a biennial report identifying changes in their Code, or a statement that their Code is not in need of an amendment. The biennial reports are submitted to the applicable code reviewing body. These biennial reports are due to go to the City Council no later than October 1 of each even-numbered year.

This report catalogs the biennial reports submitted by the City's "local agencies" and notes forthcoming changes to be made to conflict of interest codes.
